LB 877

Senator Barnett? Senator Dworak? Okay, that a vote on this amendment. Could I have your attention please. Senator Kelly, your amendment looks like it has enough strength. Make the record.

CLERK: 26 ayes, no nays on the adoption of the first Kelly amendment Mr. President.

PRESIDENT: All right, that passes. Now the second one is which one?

SENATOR KELLY: Mr. President, I move the adoption of the amendment found on page 1575 of the Journal which is technical in nature referring to Section 6 of the bill, which is that section that appropriates or sets the fund for the safety academy state building fund and \$315,000 to be appropriated into this fund annually. The wording that is contained on page 1575 of the Journal technically by the attorney's is preferable to that that is in the green copy. No change in content whatsoever.

PRESIDENT: Do you wish to speak to this amendment Senator Reutzel? Senator F. Lewis? Senator Barnett? Senator Dworak? Senator Dworak?

SENATOR DWORAK: Mr. President and colleagues. This amendment provides for the funding Senator Kelly?

SENATOR KELLY: That is correct. This would be the section that creates the law enforcement training center fund.

SENATOR DWORAK: This is \$315,000 a year?

SENATOR KELLY: That is correct.

SENATOR DWORAK: This would be each year for how many years?

SENATOR KELLY: For twenty years.

SENATOR DWORAK: So this is \$6,300,000 that we are looking at over the next 20 year period?

SENATOR KELLY: This arithmetic would be of that nature, correct.

SENATOR DWORAK: Mr. President, colleagues, yesterday or a couple of days ago we talked about a safety center in Kearney which as I understand it by the time we are looking at next we could be talking about as high as \$400,000. Now we are talking about \$315,000 a year for the next twenty years or \$6,300,000. I think that this is a significant commitment. I think right now is the time to talk about it and I think that right now is the time to make a decision as to what to do on this particular measure. I for one can't see how in good conscience support this with that safety center bill going by that we put in yesterday.

PRESIDENT: Did you want to speak on this? All right, the question is the adoption of Senator Ralph Kelly's amendment. Record your vote. Record.
